++ Valid for broadcast between 1800 and 0600

Headline:
Plenty of sunshine this evening. Cloudy and largely dry overnight.

This Evening and Tonight:
Plenty of sunny spells through the evening for most. Cloud generally building overnight, but feeling much cooler under clearer skies in westernmost areas. Remaining dry, bar a few patches of drizzle across the east of the country towards dawn. Minimum temperature 8 deg C (46 deg F).

Wednesday:
Another dry and cloudy day, with the best chance of any sunny spells in the far northwest of the country, and along southern coasts. Feeling mild for most. Maximum temperature 20 deg C (68 deg F).

Outlook for Thursday to Saturday:
Often cloudy and dry with only a few sunny spells throughout the period. Feeling pleasant in any sunshine, but cooler under the cloud. Some chilly nights possible.
